Henderson County

Listings for Henderson County

The Real Estate Weekly™ can text you about properties in the magazine.

Here's how:

Look for this *Quicklink* in the text under the picture of the house- <http://rewnc.net/620061>. Each listing will have its own unique ID number.

Pick up your cell phone and punch in this number: 866-978-1792. Follow the prompts and when you are asked for the property's ID number, enter the number in the Quicklink and you will receive a text message with information about the property.
