ON THE COVER

Unique contemporary 5 bed 3.5 bath Net Zero home with four levels of low maintenance living right in the heart of downtown Asheville. Enjoy views of the iconic Asheville City Hall while relaxing on one of the many covered decks or stroll into town in minutes for a night out. Enter the main level through a fantastic library leading to an eat-in kitchen and main living area warmed by an in-wall gas fireplace (don't miss the hidden half bath on your way!). Upstairs you'll find a spacious primary suite with a huge walk-in shower...or take time to relax in the hot tub on the upper deck. There's another bedroom too for a perfect kid room or office. Down one level you'll find bedrooms and flex space for a den, playroom or office. Basement level suite with kitchenette could be an AirBnB, guest suite or a rec room. The possibilities with this home are numerous! Finish it off with a fenced in low-maintenance backyard and you have downtown living at its finest. Come take a look for yourself today!
