My family and I live within walking distance to Beaver Lake where you will find us strolling through the Bird Sanctuary admiring the abundant wildlife; or you might catch us cruezing around on our e-bikes through Lakeview Park and Reynold's Mountain. The surrounding neighborhoods have much to offer including Asheville's Country Club, close proximity to the Blue Ridge Parkway, restaurants, coffee shops, and beautiful mountain views. Asheville Realty Group is North Asheville's boutique real estate firm, with local market experts like myself living right here at Beaver Lake!

Real estate in these beautiful Carolina mountains can vary street to street. I have lived and worked in Biltmore Park for more than 17 years and my office is in the heart of our charming Town Square, giving me a personal and intimate understanding of the Biltmore Park real estate market. I raised my family right here and have experience all over Western NC. Let me put my expertise and enthusiasm to work for you!
