It's easy to see why people fall in love with Weaverville – I did ten years ago! Its friendly downtown is filled with interesting shops, galleries, restaurants, and a drug store that still serves ice cream - not to mention an award-winning bakery just two doors away from my office. There's also a weekly farmer's market, a local library, hometown parades, art & music festivals, and two town parks to enjoy. Thinking about buying in Weaverville? Please call or text me. I would be delighted to help!
