

# TOPTRACER

*Level Up Your Game with Kenmure's  
Toptracer Experience*

*Experience golf like never before at Kenmure Country Club's Toptracer Range — where innovation meets mountain charm. Whether you're perfecting your swing or just playing for fun, Toptracer delivers real-time shot tracking, virtual games, and instant feedback — the same technology used by the pros. It's golf that's both exciting and accessible for players of all levels.*

*After your session, unwind at The Grill, where chef-inspired menus and stunning mountain views make every meal a moment to savor. Or, keep the energy going at Kenmure's fitness center, complete with modern equipment, group classes, and year-round recreation across tennis, pickleball, and heated pools.*

*Looking to host an event? The Toptracer bays double as one of Kenmure's most dynamic gathering spaces — perfect for celebrations, team-building, or casual nights out with friends.*

*At Kenmure, you don't just practice your game — you live the lifestyle. Discover where great golf and good company come together.*
