TERESA B. BROWN, LLC
DESIGN - FURNISHINGS - REAL ESTATE

Nick Rash brings a genuine love for Burnsville and the mountains of Western North Carolina to his real estate business. With deep family roots stretching back generations in Yancey County, Nick has an intimate understanding of the area's land, culture, and people. This heritage shapes his approach to real estate - grounded in integrity, local knowledge, and a belief that a home is more than a place to live; it's a sanctuary that brings peace and connection. When he's not helping clients buy or sell homes in Burnsville, Nick can be found playing music around town, trout fishing local streams, golfing, or cooking at home with his wife, Kasey.

Welcome to wonderful Weaverville, a town I've proudly called home for the past 6 years! With its charming downtown, craft breweries, fantastic restaurants, and unique shops, it's easy to love it here. As an active member of our community—serving on my daughters' school PTO, being part of the Active Weaverville Committee (local citizens' advisory group), and supporting my husband in opening multiple businesses in the area—I've seen firsthand how special this town is. With a vibrant spirit and a welcoming community, Weaverville truly has it all...and then some! If you are looking to buy in the area, give me a call, I'd love to help!
